The OUAC will be making available all Application Access Code Letters (temporary PINs) to the school. Once available, we will distribute them to students. **Keep this letter for your records. You will need this information to apply.**

January 12, 2023

Deadline for completion of online application at www.ouac.on.ca/ouac-101/

Note: We suggest a deadline of December 23rd, in order to avoid the last week rush of high volume and potential site failure. Also, Mrs. Wright and Mr. Craig will be available to assist you if you have questions prior to the Christmas break. Program changes are allowed after the application deadline, but they should not be done unless you contact the university directly to ensure that you have not missed a deadline.

OFFER:

January-May, 2023

Upon receipt of the application data from the OUAC, the universities are free to contact applicants with information regarding their admission to the university, scholarships, residences, interviews, etc. Universities may commence making **conditional offers** of admission as soon as they determine that they have received sufficient academic and application data; offer dates will vary by university and program. Conditional offers may be made based on Grade 11 marks – students will not be declined on the basis of these marks. Universities will wait for Grade 12 final marks.

End of May, 2023

The latest date all high school applicants can expect a response from an Ontario university. This includes an offer of admission; a refusal; or a deferral.

ACCEPT:

June 1, 2023

The earliest date an Ontario high school student may be required to respond to an Ontario university offer of admission and give a financial commitment (i.e. registration deposit, residence deposit, etc.) All other admission-related elements, including scholarships, other forms of student assistance or financial incentives, and offers of residence are considered part of the offer of admission. Therefore, a student may accept these other offers before June 1, 2022, but Ontario universities will not compel a student in any way to make a decision earlier than this date.

Early June 2023

The Admission Information Service (AIS), (<https://www.ouac.on.ca/ouac-101/ais/>), is a service that allows applicants to determine which universities may have places remaining in specific programs.

Note: All universities outside of Ontario have their own application process, fees, and submission deadlines. Please notify Mrs. Finer if you are applying outside of Ontario.
